PROJECT HARMONY GOLF INVITATIONAL

PROJECT
Harmony

PROJECT HARMONY is a nonprofit agency whose mission is to respond to the abuse of children *One Child* at a time. Our collaborative, child focused approach ensures that children are not further victimized by the systems intended to protect them. Professionals from Project Harmony, Child Protective Services, Law Enforcement and the Medical Community come together to *One Place* so that a child only has to tell of his or her abuse *One Time*.
