## **Project Harmony Hosts Avenue Scholars** *Career Day Exploration*

**Omaha, Neb.** – On Wednesday, February 24, 2016, Project Harmony will host 25 High School Juniors through the Avenue Scholars Foundation. These juniors are provided with a variety of career exploration opportunities throughout the year, visiting companies and organizations of choice to learn more about the profession as well as the responsibilities associated. Several of these students have identified law enforcement and human services as an area of interest.

Project Harmony provides a unique setting for these juniors to explore both career interests. In a nationally recognized model, Project Harmony has one centralized location that co-houses with the Omaha Police Department Child Victim/Sexual Assault Unit, Nebraska Health & Human Services/Child Protection Service Initial Assessment and Child Abuse Hotline, Lutheran Family Services and Child Saving Institute. Project Harmony is fully committed to utilizing education and supportive relationships as the means of preparing future generations for a healthy productive life.

Join us on Wednesday, February 24, at 10:30 a.m. as students present to the group key discoveries from the morning sessions attended and again at 11:45 a.m. for a panel discussion providing students with insight into the various roles and opportunities of social work. Speak with students and presenters on what opportunities such as this mean to them and why it is so important – not only for these 25 students, but for our community.
