Dear Project Harmony Staff,

I would like to thank you for taking time out of your day to read this letter. My name is Madison Grooms and I am a sophomore at Elkhorn High School. I learned about Project Harmony when my middle school, Elkhorn Middle School, had to choose 3 organizations to donate \$1,000 to and we chose Project Harmony as one of the three. I remember seeing Project Harmony on the board as one of the choices and everybody was confused because no one knew the extent of your work. As soon as we were given an explanation almost everyone agreed that Project Harmony deserved the money. Your mission to help abused and neglected children is truly inspiring and it continues to encourage me to try to help people, no matter who it is, to the best of my ability.

While this letter is an assigned project, I thought thanking all of you for your hard work was necessary. Project Harmony doesn't need to help kids that are going through a rough time, but you do. The people at Project Harmony have so many people that are grateful to them but don't do anything to show it. I am grateful to you because I know some people that have needed to go to you for help and they are all better off because of it. Project Harmony does amazing work and I'm so thankful that you guys were and are able to help so many people

There are so many kids that feel helpless and hopeless. You guys do whatever you can to help out those children in need. When I grow up I want to donate to or volunteer at Project Harmony because I want to help anyone that feels like they can't do anything about their situation. Project Harmony has saved so many lives by helping kids get out of their terrible situation and I want to help or be a part of it in any way that I can because I would feel guilty knowing that kids are abused and neglected but I didn't do anything to help.

Continue doing the work that all of you at Project Harmony are doing because it means a lot to others. Continue stopping abuse and neglect and continue helping every child that walks through your front doors because all of them are counting on it. You guys help so many people and families on a daily basis and every single one of them is grateful for it.

Sincerely,

Madison Grooms  
Sophomore, Elkhorn High School
